NRS Health Insurance

For the NRS Employees with Insurance through NRS:
Don't forget to use your Purple Card and TeleDoc Services!

These services are designed to reduce everyone's health related costs and keep our premiums down but at the same time to make our employees lives much easier when dealing with health insurance!

NRS Ranch Store employees were shocked as they drove in to work Wednesday morning June 24th to see the parking lot filled with fire trucks. Construction workers found the warehouse billowing with smoke around 6:30 a.m. and immediately contacted David. Soon, fire departments came from several surrounding towns.

The fire was contained in the warehouse, but there was smoke damage throughout the entire building. The worst of the smoke damage was in the retail store area and customer service reps were relocated back to the accounting office area in town. The new ranch offices were mildly damaged and cleaned quickly for immediate use.

NRS Health Corner

Exercise increases the level of serotonin in the brain which effects our mood, appetite, and sleep cycle. So if you are feeling down, work out for at least 30 minutes a day and watch how your body, attitude, and mood changes.

What's New at the Ranch?

Jaci Isham standing next to the New NRS road sign that is at the entrance from Hwy. 287.

Because of needing to replace the insulation, the entire roof will need to be replaced over the the retail store area.

The warehouse has substantial structural damage. It will be re-skinned, 3 trusses removed, and a new roof installed. Currently, workers are continuously cleaning the large amount of soot caused from the fire and smoke. After the cleaning is complete, the construction crew will be able to start. Cleaning has to be complete as to not cause more damage in the process.

The fire incident will delay the store opening for at least 3 months. Our current new goal is mid to late October, just in time for the holidays!

At Hwy. 287 entrance.

Lights lining the new entrance.

Note from Tammie:

Please enter your personal e-mail address in Paycom. We would like to be able to send you company newsletters and any urgent information that you need to hear - LIKE - "the building is on fire".

Do you know the staff at the NRS Training Center?...you should! (part 2)

NRS INTERN - JOYCELIN MUNDEN

NRS Ranch has been blessed to have Joycelin Munden all the way from Lowden, Washington as our Summer Intern. She attends Ellsworth Community College in Iowa and is majoring in Equine Management & Equine Science. Her internship here applies toward her degree. She has grown up in a family who ropes, rides, reigns and cuts horses. Joycelin says her family has been long time customers of NRS and buys everything here. At the Ranch, she does a little bit of everything from saddling horses, feeding and riding, to helping with clinics and private lessons.

HORSE TRAINER - DEB CROCKETT

If you go out to the Training Center these days, you may see Deb Crockett working with our 2 & 3 year old colts in the round pen. Deb learned to start colts from Martin Black, a professional horseman and colt starter. Deb spent a whole month in a colt starting class with Martin in 2007, who was headquartered in Sanger at the time. He is spending the necessary time it takes at the Ranch starting 4 colts and haltering 2 yearlings.

HOUSEKEEPING

Kayla Smith, Linda Bell (not pictured: Jill Potter - Part-time)

Linda Bell has worked for NRS for 5 years and has recently moved from the Decatur Store Sales Floor to the NRS Ranch as the Supervisor of Housekeeping. The housekeeping team is in charge of cleaning the cookhouse, offices, announcer booth, break room, apartments, bunkhouses, cabins, pro-shop, bathrooms and patio area. In Linda's free time, she enjoys shopping and spending time with her two children and three grand-children.

MANAGERS: If you have employees without email, please print this out so they can have a chance to read the employee newsletter as well. Or collect their personal email addresses and send to hbaker@nrsworld.com if they wish to receive it.

If you have information that you think may be useful for the NRS Employee newsletter, please email Heather Baker at hbaker@nrsworld.com.
