David states: "It is a dream come true for me to have the first of my children join the company".

Upon graduating ACU with his Master of Accounting degree, Cade earned his CPA. He then worked in downtown Dallas for Price Waterhouse Coopers (PWC) for one year, after spending a semester there as an intern. NRS Ranch Store Update:

Workers removed the whole warehouse roof last week. They will also be replacing the warehouse skins soon. The store roof will not have to be replaced, as once thought. Instead they will be cleaning the store roof thoroughly. November 1 is still the goal to have it all done and ready to open.
