NRS Employee, Pam Castaneda, is excited to import Stallion JRM Pinton straight from Peru!

Pam grew up in a rodeo family. She received a rodeo scholarship for Tarleton in Stephenville and competed in Barrel Racing at the collegiate level, amateur level and professional level. While she attended college, she worked at a Peruvian Horse Breeding ranch in Stephenville, where she was introduced to the Peruvian Horse lifestyle. She worked at that Peruvian ranch for 11 years before she opened her own Peruvian Horse Training Center. Pam married her husband in 2011, who is also from Peru. He had only been in the states a few years before she met him in 2008. Pam and her husband run the Lone Star Horse Center in Alvord, where they breed, train and show breeding horses for themselves and others.

Pam and her husband recently came across an opportunity that they just

Busy Weekend at the Ranch!

This weekend was filled with events at the Ranch, from a wedding reception on the back patio to Cow Chip Bingo on the front patio to Craig Johnson in the round pen.

NRS was excited to host 83 guests at the round pen seminar on Saturday lead by 2-Time NRHA Reining Futurity Champion, Craig Johnson. Craig hung around

couldn't pass up, to actually import a Stallion of great historical breeding straight from Peru. Stallion JRM Pinton, bred and born in Peru, was imported in February to the Lone Star Horse Center. His Sire and Dam are both show Champions in Peru. With show season just starting, they are thrilled to get to show him to see if he can follow in the footsteps of his Sire and Dam. They are also excited for the opportunity to bring some new blood stock in the U.S. by breeding him with their mares and also offering him for breeding with others.

NRS Ranch was blessed to be visited by JRM Pinton for a video photo shoot. Check out the video at the [Lone Star Horse Center Facebook Page](#). The video shows how different the spanish breed Peruvian horses ride. Instead of trotting, they travel in a 4 beat lateral gait, also known as the champagne ride.

after the seminar to visit with the guests.

The Cow Chip Bingo, set up by the Decatur High School, was very eventful with around 75-100 people. Although the steer escaped in the first few minutes, NRS was still able to give away \$500 to the Bingo spot winner and NRS gift cards to the Bingo game winners.
