FEATURED NRS EMPLOYEES

Welcome
Shannon Vincent!
NEW NRS Feed Manager

Shannon moved from Colorado after 40 years to McKinney, TX to be with his wife, Ammie, who is a Sales Manager with Pet Ag. He has 4 sons and a granddaughter who are all still in Colorado but looking forward to having them visit often.

Shannon was raised on a small ranch in western Kansas and has been around and raised livestock all of his life. Shannon and Ammie owned and operated a very successful feed and farm store in Falcon, CO and were in the top feed sales for Purina Mills every year. For the last several years he has transported hay to feed stores across the U.S.

When Shannon has free time, he enjoys team roping and being with family. He is very passionate about delivering the best customer service experience! Shannon believes this can be accomplished by building trust, sharing knowledge, experiences and educational learning as a cohesive team. His focus and goal will be to continue to manage and build the best team in the NRS Feed Department!
